EMPLOYER'S FEEDBACK

2023 - 2024

Internal Quality Assurance Cell (IQAC)

Lokepara Mahavidyalaya

Kuliara, Birbhum, West Bengal, Pin-731218

Objective :

The objective of the employer's feedback is to gather a panoramic view about the overall functioning of the institution. The college has collected the feedback from the employer through offline mode for the purpose of NAAC for the session 2022- 2023. The feedback captures the employer's view regarding the functioning of different mechanisms within the college, the college's contribution towards the academic environment and wholistic development of the institution and other important stakeholders like student and teachers.

Methodology

The IQAC has conducted the survey through generating a form in the hardcopy format and circulated it to the employer i.e. the principal. We have received one response. We have applied pie chart in order to analyse and understand the response.
