ALUMNI FEEDBACK

2022 - 2023

Internal Quality Assurance Cell (IQAC)

Lokepara Mahavidyalaya

Kuliara, Birbhum, West Bengal, Pin-731218

Objective :

The feedback of the alumni plays decisive role for the improvement of an institution. The college has collected feedback from the alumni for the session 2022-2023 for NAAC through offline mode. The objective of the feedback is to understand their view and their satisfaction regarding various aspects of the college such as infrastructure, faculty, relevance of syllabus, library, curriculum, job opportunity and overall function of the institution. The questionnaire was prepared keeping in mind their need from the college. The feedback does not only focus on the facilities provided to them by the institution but also intend to work on their concealed suggestions given through their feedback.

Methodology:

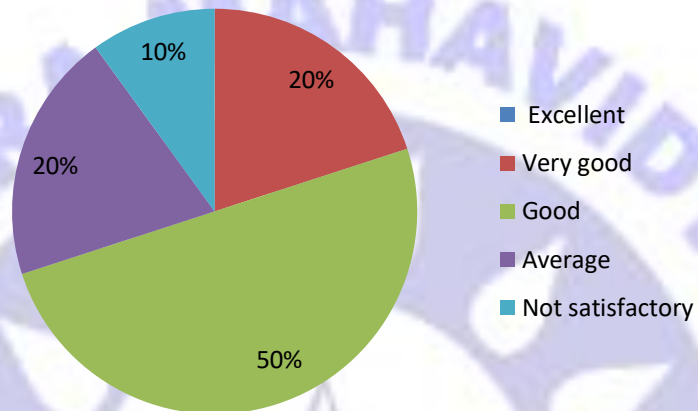

We have collected the data through creating a form in the hardcopy format which was circulated among the alumni. We have received responses of twenty alumni in total. We have used pie chart in order to understand and assess their responses in a more comprehensive manner. A five- point scale ranging from 1 (Not Satisfactory) to 5 (Excellent) was used to assess their response.
