6.Outcomes:-

Under the MOU there were two faculty exchange programme where one teacher of each college attended in the corresponding college to deliver Spl. lecture. In such an academic initiatives students had got an interactive opportunity with the selected faculties of other college. In every session it was observed that participating students were very enthused and attentive in all academic session. In this exchange practice it was also followed that students got an opportunity to enrich themselves in academic diversity. Here faculties too find a scope to strengthen intercultural sensitivity and intellectual competence. It can also firmly be believed that all these academic exchange practices are very helpful to create a healthy bonding among the students as well as faculties of both the colleges.
